STRATEGIC REPORT

Achievement and performance

The Association has continued to publish Context (the Association's magazine) six times a year and through Wiley, our academic journal (JoFT) which is now provided on a continuous production cycle.

2024 Membership of the Association was 3,130, the 2023 membership was 3,105.

In 2024 we introduced changes to the commercial activities of AFT to remove the reliance on membership income to fund the organisation. In 2022 approximately 81% of the association's income was derived from membership subscriptions. In 2024 this reduced to 45% from larger member numbers. The introduction of Gift Aid has also proved a valuable source of income with our first receipts coming in 2024.

We introduced the new Course Accreditation through Partnership Scheme. Where previously, we relied on heavy subsidy from membership income to support our accreditation activities, we now have a fully funded, financial contributor to AFT providing a sustainable position to allow us to continue our work in this important area

AFT's Conference in Bristol was a sell-out and saw the largest ever gathering of Family Therapists at an event in the UK - with over 650 people attending either at the event or online. The rich variety of plenaries and workshops proved to be a great highlight of what proved to be a wonderful event.

Our webinar programme goes from strength-to-strength and is becoming recognised as a valuable learning resource within psychotherapeutic professions. We continue to attract providers of rich and diverse topics to ensure we deliver a first-class learning experience.

Our free student membership offer to first year students has proved invaluable in supporting those entering the profession and has helped us grow our membership by over 23% compared to the beginning of 2022. This offer saw over 60% becoming permanent members of the Association.

In 2024 we saw a 9.5% growth of members we accredit to the UKCP. Of course, this means more processing of CPD applications etc and through the restructuring of our administrative functions, we now complete the submission/review process within one month. This is a significant improvement on the previous position of 6 months.

At the end of the year, we were subject to our five-yearly Organisational Member Review by CFCSP and the UKCP. A lot of our practices were recognised as class-leading with special mention to the DWP activities. No matter how confident we might have felt, it still remains a relief to pass the inspection.

In the coming year, the Association will continue to publish both CONTEXT (print) and JoFT (online), organise webinars, support a number of training initiatives, monitor professional conduct and competence through a comprehensive UKCP re-accreditation process, promote the profession and encourage and support its members to gain further professional qualifications and membership services in-house.

The Association will also continue to work with other related organisations to promote and develop family and systemic practice and employment opportunities.

ASSOCIATION FOR FAMILY AND SYSTEMIC PSYCHOTHERAPY LTD

TRUSTEES' REPORT FOR THE YEAR ENDED 31ST DECEMBER 2024

The Association will also introduce a new bespoke website and member portal which will serve to better educate and inform the public about Family Therapy and System Practice in addition to providing a far greater, more robust platform for members to manage their membership activities.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST DECEMBER 2024**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going concern

The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future and the company is well placed to manage its risks successfully. Accordingly, they adopt the going concern basis in preparing the annual report and accounts.

Tangible Fixed Assets

All assets with an original cost of £2,000 or less are charged to the Statement of Financial Activities in the year of purchase.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
